Activity Title: Application of Circles in Real Life

Learning Target: To illustrate the application of Circles in real life

References: *(Author, Title, Pages)* V.J. Dublin, A. Cagampang, CVIF Learning Activities

For your Third Quarter performance task, provide a real-life application of circle through an illustration.

Instructions:

1) Use a long bond paper with 1-inch margin on all sides and with a landscape orientation.

2) Give one example of an application of circles in real life, then illustrate it by drawing.

3) Be creative in your work by using any available coloring materials.

4) Make sure to write your name, grade and section on the upper-left part of your paper.

5) Grading Criteria:

Content	- 60%
Presentation	- 30%
Punctuality	- 10%
Total	**100%**
